Dear Mr. Rose:

STAT Thank you for your letter of August 2nd, concerning the visit of WECT-TV. Unfortunately, Admiral Turner will be out of town all next week visiting the West Coast where he will make several speeches. I will be with the Admiral so I won't be here to give WECT-TV a hand.

Due to a number of security considerations it is very difficult to set up a visit for a film crew on such short notice. I would suggest we give WECT-TV a raincheck and arrange something for their next visit to Washington. If someone from your staff could let us know a little bit further in advance, we would be happy to arrange such a visit.

We greatly appreciate your interest and hope the folks at WECT-TV will understand why we can't accommodate them this time around. We do look forward to hearing from your office and arranging a future visit.

Sincerely,

SIGNED

Dear Herb:

Television station WECT-TV in Wilmington, North Carolina will be in Washington August 7-10. They would like to film an interview with a representative of the CIA, preferably Admiral Turner, on any one of these days.

They also wish to take some footage of the outside of the complex, as well as the inside of some of the buildings.

Could you please respond to this request, as I am most desirous of facilitating this endeavor.

With best wishes.

Sincerely,

Charlie Rose
